EcoprintQ
Student User Guide

Table of Contents:

1.0  Add credit via credit card to ecoprintQ account
1.0 Add credit via credit card to ecoprintQ account

Once the Users log in to any college computer using their DSI ID or domain account (i.e. Active Directory Account), a dialog window appears on the top right corner of their computer screen displaying their ecoprintQ balance.

Step 1

This dialog shows the balance for the user logged in

Click Details...

Step 2

Students log in using their DSI or domain account

Click Login

The ecoprintQ User Web Interface may also be accessed from anywhere on the network by opening any internet browser and typing the following URL http://ecoprintq.devry.edu
Select Add Credit to Account

Click Add Value.

Step 3

Users may transfer funds from a personal credit card

Step 4

Credit may be added to your ecoprintQ account using a credit card. The amount must be in whole dollars in the range of $2.00 to $20.00. When you click on "Add Value" you will be taken to the TouchNet website. All credit card transactions are handled by TouchNet at their website over a secure link. No credit card information is kept on any system.
Please enter your credit card information

Total: $20.00
