FREQUENTLY ASKED QUESTIONS

1. Where can I get my new student ID badge and lanyard?
   In Student Central office 229 (2nd floor) for DeVry/Keller students and office room 130 (1st floor) for Chamberlain students.

2. Why do I have to display my student ID?
   As a community, all students and colleagues are encouraged to look out for the safety of each other and to report anything suspicious. They should wear their IDs with the colored lanyard so that they can easily be identified as either a student or colleague. All visitors will be identified by the red colored lanyards. Visitors are always welcome on campus and we would treat them with the same care and courtesy.

3. What are some benefits of the new Student ID?
   The new student ID has an electronic chip that serves as a key. It will allow you to open any of the two main doors to the building and to other areas such as labs and classrooms. Also, the university-issued ID provides some amazing benefits such as discounts for meals, apparel, technology, etc. at many of the major businesses such as McDonalds, the Apple store, Chipotle, and many more.

4. What are some of the guidelines for wearing the Student ID?
   All students must wear their badges while in the building or on campus property. Badges shall be worn using a breakaway lanyard designated by a gold/yellow color to identify them as a student. Students on campus without their badge may be escorted to Student Services.

5. What if I forget my ID?
   You must show your student ID before you can enter the building. But if you are unable to provide your ID, you could be denied entry until your status can be verified. This process may cause unnecessary delays for you. Therefore, we encourage you to have your university-issued ID with you at all times.

6. What if I misplaced my Student ID?
   Lost badges and lanyards have a replacement cost of $5. You may obtain a replacement ID at the Student Central office during normal business hours.

7. Can I use my ID at other DeVry/Chamberlain schools?
   Yes, you only need to have one university-issued ID. The ID can certainly be used at other campus locations within the metro.
